

Pfc. Salmon, who served as a cavalry scout, joined the Army because he wanted to better himself and to make his son proud. By giving his life for the freedom of others, we are reminded of the great price at which our freedom is preserved.

We are all deeply indebted to the service and sacrifice of Private First Class Zachary Salmon, and our thoughts and prayers are extended to his family and friends as we celebrate his life and accomplishments.

HONORING THE LIFE OF JUNE WHEELER PEACH

HON. RODNEY ALEXANDER

OF LOUISIANA

IN THE HOUSE OF REPRESENTATIVES

Thursday, February 10, 2011

Mr. ALEXANDER. Mr. Speaker, I rise today to honor the life and achievements of Mrs. June Wheeler Peach, who passed away at her home on January 31 at the age of 72.

Mrs. Peach was a renowned community activist and passionate humanitarian who dedicated her time to countless organizations and charities. For much of her adult life, Mrs. Peach was active in the operation and financing of nursing homes as well as devoting her energy to care for the elderly. For the past 34 years, she served on the Board of the Louisiana Nursing Home Association—working on almost every committee and in every role possible. At the time of her passing, she served on the Executive Committee and as Secretary of the LNHA, a position she held for the last 32 years.

In addition, Mrs. Peach was involved in other community outreach efforts including: the Governor's Commission on HIV/Aids, the Department of Health and Hospitals Advisory Committee on Medicaid, Alexandria Town Talk Advisory Board, Vo-Technical College, Salvation Army, Little Theatre's Sheltered Workshop, Food Bank of CenLa, Central Louisiana Coalition to Prevent Homelessness, Retired Senior Volunteer Program, Cabrini Foundation, Rapides Primary Health Care, Region 6 Health Care Consortium, Central Louisiana Health Care Ethics Coalition, Regional Special Olympics, Central Louisiana Community Foundation, YWCA, Alzheimer's Association and Chairman of the Board of Trustees of Canterbury House.

Mrs. Peach was also heavily affiliated with Friendship House, a nonprofit day-care facility for adults who can no longer care for themselves, as well as an active member of her beloved place of worship, Horseshoe Drive United Methodist Church.

For her unyielding efforts to help others, Mrs. Peach earned countless professional and civic awards, and even had the mayor declare October 10, 2008 "June Peach Day."

Beyond her humanitarian and professional contributions, Mrs. Peach was a caring wife, mother and grandmother. She was preceded in death by her husband, John Hill Peach III; parents, Henry Paul and Myrtle Wurster Wheeler; brothers, Jack Glen Wheeler, Harvey March Wheeler and Henry Paul Wheeler; and sister, Alice Wheeler Newkirk. She leaves behind her sons, John Henry Peach and Tom Glen Peach and wife, Jennifer; daughters, Tammy Peach Lee and husband, John; and Cindy Peach Branham; brother, Johnny

Wurster Wheeler; sister, Ruby Wheeler Noe; granddaughters, Lainey Peach Branham, Tamera Nicole Branham and Abbey Peach.

To say that Mrs. Peach left her fingerprint on the world is an understatement. She was a friend to many, and deemed a gracious and compassionate person by all who had the good blessing to know her.

Mr. Speaker, I ask my colleagues to join me in paying tribute to the late Mrs. June Wheeler Peach. Her altruistic nature and selfless dedication warrant this laudable recognition.

HALEY WHATLEY OF NORTH RICHLAND HILLS SELECTED AS PRUDENTIAL SPIRIT OF COMMUNITY AWARDS DISTINGUISHED FINALIST

HON. MICHAEL C. BURGESS

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Thursday, February 10, 2011

Mr. BURGESS. Mr. Speaker, I rise today in recognition of our youth who demonstrate enormous capacity for service. In particular, I would like to commend the selflessness of Haley Whatley of North Richland Hills, Texas. Ms. Whatley has been selected as a Distinguished Finalist in the 16th annual Prudential Spirit of Community Awards which recognizes top youth volunteers throughout the nation. She was awarded this distinction out of 29,000 other applicants.

Ms. Whatley was only 5 years old when she began a stuffed animal drive for pediatric patients at Cook Children's Medical Center. Her toy drive has distributed over 20,000 stuffed animals over the past 11 years and a charity Celebrity Waiter Dinner allowed her to raise \$5,300 for the hospital's Pastoral Care Department.

The Prudential Spirit of Community Awards recognizes young people who are making a positive difference in their community, and inspire other young people to follow their example. Ms. Whatley has gone above and beyond these expectations and it is my honor to recognize her and represent her in Congress.

REMEMBERING BISHOP FRANK MUNSEY

HON. PETER J. VISCLOSKEY

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Thursday, February 10, 2011

Mr. VISCLOSKEY. Mr. Speaker, it is with deep sadness and the utmost respect that I take this time to remember a dear friend and one of Indiana's most distinguished citizens, Bishop Frank Munsey, founder of Family Christian Center in Munster, Indiana. On Saturday, February 5, 2011, Bishop Frank Munsey passed away at the age of 80. Known for his commitment to the church and his missionary work, Bishop Munsey will surely be missed by his family, friends, parishioners, and the many people whose lives he influenced.

Bishop Frank Munsey and his wife, Ruth, founded their church in 1953. Initially, the church was named Evangelistic Temple and was located in Hammond, Indiana. The

church's congregation continued to grow, and in 1971, Bishop Munsey moved the church to nearby Griffith, Indiana. It was at this time that the church was renamed Family Christian Center. Bishop Munsey's family has always been very active and dedicated to the Bishop's aspirations for the church, and in 1985, Pastor Steve Munsey, Frank's son, took over leadership of the Family Christian Center. In addition to his son, Steve; Bishop Munsey's daughter-in-law, Melody; grandson, Kent; and Kent's wife, Alli, serve as Pastors for the church. Due to its continued, tremendous growth, in 1999, the church moved to its current location in Munster. Today, because of Bishop Frank Munsey's commitment, loyalty, and spiritual guidance, as well as the continued leadership and dedication of his son, Pastor Steve Munsey, and family, the Family Christian Center has an astounding following of more than 30,000 parishioners.

In addition to founding and building the Family Christian Center, Bishop Munsey's passion for missionary work was a significant part of his life. In 1985, he and Ruth became missionaries in Latin America. After seven years of traveling missionary work, they established a Christian school in Bulgaria. In 1992, the American English Academy opened in the city of Sofia, the capital of Bulgaria. Today, there are 175 students from 31 countries who attend this school.

Bishop Frank Munsey is survived by his wife, four children, nine grandchildren and nine great-grandchildren. He has been called, "an amazing man of God" and "a gentleman . . . who walked the walk" by parishioners. Bishop Munsey will be remembered for his truly outstanding contributions to his community and throughout the world.

Mr. Speaker, I respectfully ask that you and my other distinguished colleagues join me in honoring Bishop Frank Munsey for his devotion to the numerous people whose lives he touched. His unselfish and lifelong dedication to the church, his family, friends, parishioners, and those he served through his missionary work is worthy of the highest commendation. His legacy will serve as an inspiration to all in the spiritual community, and he will remain an inspiration to the people of Northwest Indiana and beyond.

A TRIBUTE TO RETIREMENT HOUSING FOUNDATION ON THE OCCASION OF THE NON-PROFIT ORGANIZATION'S 50TH ANNIVERSARY OF PROVIDING QUALITY AND AFFORDABLE HOUSING TO THE COUNTRY'S ELDERLY, LOW INCOME FAMILIES, AND PEOPLE WITH DISABILITIES

HON. LUCILLE ROYBAL-ALLARD

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, February 10, 2011

Ms. ROYBAL-ALLARD. Mr. Speaker, I rise today to recognize Retirement Housing Foundation—also known as RHF—on the occasion of the organization's 50th anniversary of providing quality and affordable housing and services to more than 17,000 seniors, low-income families and people with disabilities.

With a strong mission to provide dignified, affordable housing and services for the elderly, RHF is one of the nation's largest non-profit

sponsors and managers of housing and services for older adults, persons with disabilities, and low-income families.

RHF was formed in 1961 by three visionaries: two California United Church of Christ clergymen and one layman. The organization, which began with a \$7,000 grant, today operates 161 communities in 25 states throughout the United States, the District of Columbia, Puerto Rico and the U.S. Virgin Islands. While these communities are comprised of mostly apartments, RHF also provides senior housing with assisted living units and skilled nursing beds.

A total of four RHF communities are located within the 34th District. The Rio Vista Village for low-income families is located in Boyle Heights. RHF operates three communities for low-income seniors: Colonia Jess Lopez in Boyle Heights, which is named after a strong community activist and outspoken advocate of older Americans whom I was proud to call a friend; Sangnok Villa in Westlake; and Angelus Plaza in Downtown Los Angeles.

During my years in Congress, I have had the privilege of working closely with RHF as a member of the Advisory Council for Angelus Plaza—the nation's largest affordable housing community for seniors in the country. Angelus Plaza is the only facility of its kind in the country. Covering two city blocks and two postal zip codes, it has nearly 1,100 apartments. Angelus Plaza is home to 1,300 independent seniors whose average age is 82.

RHF prides itself on its culturally diverse programs and services offered to Angelus Plaza's residents who speak more than 10 different languages. Angelus Plaza's six-story senior center offers more than 100 monthly classes and activities for seniors throughout the Greater Los Angeles Area. The complex also houses the Tom Bradley Senior Health Center (operated by Good Samaritan Hospital) as well as a continuation high school operated by the L.A. Unified School District and office space for more than 10 non-profit organizations and senior groups.

In addition, RHF continues to partner with local organizations and government agencies to secure support and funding for affordable housing throughout the country. RHF preserves properties within the HUD inventory by acquiring those properties in danger of becoming market rate.

RHF also reinvests in its own properties to ensure that they remain viable affordable communities for decades to come. In the last five years, RHF invested more than \$95.9 million to rehabilitate and update existing communities.

RHF takes its role as an affordable housing advocate seriously. As a respected national voice in this area, Dr. Laverne Joseph, RHF's President and CEO, has testified before various Congressional Committees about a variety of affordable housing-related issues.

Mr. Speaker, as the organization prepares to mark its 50-year milestone at a special February 18 anniversary celebration at their annual conference in Downtown Long Beach, I ask my colleagues to please join the Los Angeles County community and me in recognizing the Retirement Housing Foundation for its steadfast commitment to providing quality, safe and affordable housing and services for America's seniors, low-income families and persons with disabilities.

I also commend RHF's Board Chair, Don King, its National Board of Directors, its Presi-

dent & CEO, Dr. Joseph and the 2,600 dedicated staff throughout the country who make this organization the safety net that it is today for thousands of America's most vulnerable residents and I wish them many more years of continued success.

MR. AND MRS. LEO MILLS 58TH
WEDDING ANNIVERSARY REC-
OGNITION

HON. TOM MARINO

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, February 10, 2011

Mr. MARINO. Mr. Speaker, I rise today to honor the 58th Wedding Anniversary of Mr. and Mrs. Leo Mills.

Esther Mills, born Esther Jean House, is the daughter of the late Mr. and Mrs. Raymond House of Towanda, Pennsylvania. Silas Leo Mills is the son of the late Mr. and Mrs. Lewis Mills also of Towanda. Prior to their union in marriage, Esther attended Troy High School and Leo attended New Albany High School. Leo entered the United States Army during the Korean War and in September 1952, he was honorably discharged after serving our country for three years.

The couple was then joined in marriage at 2:00 p.m. on February 1, 1953 at the Monroeton Methodist Church. Reverend Glenn Stewart performed the union and Mrs. Fay Arnold provided the music for the ceremony, "I Love You Truly" and the "Bridal March." The sister of the bride, Mrs. Kenneth Bouse, served as the matron of honor, and Mr. Kenneth Bouse served as the best man. The groom's brother, Stanley Mills, and the groom's cousin, Vern Perry Jr., served as ushers for the ceremony. The Church was decorated with white gladiolas and ferns and the reception was held right there in the basement of the Church.

Following their union, the couple spent their first year of marriage living in Buffalo, New York while Leo worked at Western Electric. The couple then moved back to the Commonwealth of Pennsylvania and built their home on a farm in Sheshequin Township where they raised their six children: Marsha, Connie, Colleen, Lewis, Silas, and Marlene.

Leo and Esther worked together to maintain the farm and the couple raised veal calves as well as dairy cows. In addition to maintaining the farm, Leo worked for many years at Ingersoll Rand in Athens. Esther worked for a number of years at JV Discount in Wysox and later, at Dupont in Towanda.

Both Leo and Esther are proud members of the Towanda American Legion and its Auxiliary and the Northeast Memorial VFW Post 6824 and its Auxiliary. They remain very active in the community and participate in the annual Veterans Appreciation Day Picnic.

Leo and Esther are much beloved by their family that has grown now to include their six adult children as well as eleven grandchildren and six great-grandchildren.

Mr. Speaker, Leo and Esther Mills are now married 58 years. I am proud to rise today in their honor and salute their commitment to one another, their growing family, their community, and our nation.

INTRODUCTION OF THE "END BIG OIL TAX SUBSIDIES ACT"

HON. EARL BLUMENAUER

OF OREGON

IN THE HOUSE OF REPRESENTATIVES

Thursday, February 10, 2011

Mr. BLUMENAUER. Mr. Speaker, as Congress prepares to consider a draconian continuing resolution next week that will include painful cuts to important programs, I'm pleased to announce legislation that will save American taxpayers almost \$40 billion over the next 5 years.

Right now, Americans are subsidizing some of the largest and most profitable oil companies in the world with their tax dollars.

This bill, the "End Big Oil Tax Subsidies Act," would end 10 of the most egregious tax loopholes enjoyed by the oil industry—tax loopholes that have helped BP, Chevron, ConocoPhillips, ExxonMobil and Shell make a combined profit of nearly \$1 trillion over the past decade.

In the tax code, we currently subsidize oil injection, extraction, exploration, drilling, manufacturing, pricing, and inventory valuing, by creating price floors, offsetting foreign taxes, providing generous credits and deductions, offering tax shelters, and allowing the valuation of inventories at deeply discounted prices.

The well-established and extremely profitable oil industry no longer needs the help of American taxpayers. Their profit margins are enough incentive for them to keep doing what they're doing. As former President George W. Bush said in 2005, "I will tell you with \$55 oil we don't need incentives to the oil and gas companies to explore. There are plenty of incentives."

There are many better ways to spend \$40 billion. It could be used to deficit or stave off some of the most painful cuts proposed by my Republican friends—such as LIHEAP funds, which help low-income Americans pay their utility bills so they can keep their heat on in the winter.

We could also redirect the subsidies in the tax code to level the playing field for emerging technologies like wind and solar. This is where the jobs are: A University of Massachusetts study found that investment in clean energy creates anywhere from two to four times more direct and indirect jobs compared to the same investment in oil and gas production.

I hope my colleagues will join me in supporting this important legislation.
